

Call for Abstracts

4th EURACT
Medical Education Conference
23 - 25 April 2026 • Iasi, Romania

**Deadline for abstract submission:
15 December 2025**

The theme of this conference is:

Teaching Tomorrow's Family Doctors: Keeping patients close at heart in the digital era

The conference will bring together teachers, trainers, family doctors, general practitioners, and medical students to explore innovative approaches to medical education in a rapidly evolving healthcare landscape.

Why submit?

- Present your research, projects, or educational innovations.
- Contribute to shaping the future of family medicine education.
- Connect with colleagues in the inspiring cultural and academic atmosphere of Iasi.
